Ex. 6 Personal Privacy (PP), forwarded you the text from Ex. 6 Personal Privacy (PP) I believe is instructive for this letter. Not sure if you were cc'd on it originally. I do not believe there is "hair on fire" urgency here. The requester/inquirer knows generally that we are still looking into this matter.

Ex. 6 Personal Privacy (PP) what was the original request? I think it's been lost in this email chain.

Thank you for locating this letter. It looks like something I might be able to combine with Ex. 6 Personal Privacy (PP)'s initial draft to be transmitted. I think that was the plan all along.

Anyone have different thoughts?

Thanks.

Probably 10 years ago Ex. 6 Personal Privacy (PP) and I and probably you too were involved in an analysis / developing an options paper regarding this issue. I am not sure what I have in my files relating to that but

Ex. 5 Deliberative Process (DP) I will see what I can find Tuesday.

I can't guarantee that I'll get to this by the end of the week. I'll try, but if you're gone, we'll go with your plan B.

This guy has pinged me. I will be out of office 15-25 August, so if I can get him an answer in next couple days it's a good thing. If not, maybe I will see if **Ex. 6 Personal Privacy (PP)** can take your edits and make a letter?
